BORN OUT OF THE DESIRE TO OFFER A BALANCE BETWEEN

**FORM, FUNCTION & STYLE**

High-grade leather, first-class safety features, innovative and striking design...they're all features reserved for expensive garments, right? Wrong. Argon has been working tirelessly with a number of the best leather and textile suppliers in the world to create garments for the rider that demands quality, fit and function without an over-inflated price tag.

We believe that riding and protection gear should be at a price that's affordable, without sacrificing on the key elements that make it safe and performance oriented. Argon sources the best materials from around the world; be it leather, textile or certified armour, you can ride in comfort knowing you're protected by the best.

# DESCENT JACKET

Our flagship leather jacket, the Descent is built for speed with Argon's Advanced Technology Fit which ensures you comfort without hindering your movement and performance. This is done by using stretch fabric through the key movement areas across the arms, chest and torso. Protection is priority with external carbon shoulder cups, internal CE Level 2 elbow and shoulder armour and inclusion of a back protector (CE 2 optional). There's our 100-per-cent waterproof "Dry Pouch", removable quilted vest and neoprene cuffs and collar to ensure you'll be as comfortable as possible.

## STYLE & FEATURES

- Neoprene at collar & cuff for extra comfort
- Stretch fabric at sleeves for extra comfort
- Argon Advance Technology for superior fit & function
- Argon 100% waterproof "Dry Pouch" pocket
- Removable quilted vest liner with mobile phone pocket
- 100% polyester mesh lining with mobile phone pocket
- YKK connection zipper for attachment

## ELEMENT OF PROTECTION

- Made from genuine tear resistant cow hide
- Reflective piping for better visibility at night
- Back protector included
- Optional CE level 2 back protector available
- CE level 2 shoulder & elbow protectors

RRP \$499<sup>95</sup>

# SCORCHER JACKET

Want to look and feel fast without the speedy price tag? Then the Scorcher is the jacket for you loaded with features that won't burn a hole in your pocket. Made from genuine leather that's highly abrasion and tear resistant yet perforated to help regulate temperature, the Scorcher also comes with a removable quilted vest (for those chilly days) with phone pocket, separate polyester lining and back protector and CE Level 2 Shoulder & Elbow armour. To keep things snug, yet comfortable there's zipped sleeves and neoprene cuffs along with a neoprene seal at the neck.

## STYLE & FEATURES

- Neoprene at collar & cuff for extra comfort
- Reflective piping for better visibility at night

# FUSION JACKET

Want the safety and assurance that a leather jacket provides, yet the flexibility and climate control that a textile jacket offers? Then the Fusion is just the jacket for you as it lives up to its very own name... a fusion between high-grade leather and ventilated mesh panelling in key areas across the chest to allow significant air-flow to keep you cool and allow you to ride longer on warm days and nights. When the temperature does start to drop, there's a quilted removeable liner, waterproof "Dry Pouch" and inclusion of back protector and CE level 2 armour in the shoulders and elbows.

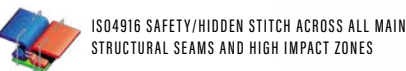

## STYLE & FEATURES

- Neoprene at collar & cuff for extra comfort
- Reflective piping for better visibility at night
- Argon Advance Technology for superior fit & function
- Argon 100% waterproof "Dry Pouch" pocket
- Removable quilted vest liner with mobile phone pocket
- 100% polyester mesh lining with mobile phone pocket
- YKK connection zipper for attachment

## ELEMENT OF PROTECTION

- Made from genuine tear resistant cow hide
- Reflective piping for better visibility at night
- Back protector included

# RECOIL JACKET

## PERFORATED

What good is classic leather styling if it's too hot to wear? Say hello to my little friend... Perforation. Yes, our stylish and functional Recoil jacket is offered in both a traditional leather style and the warmer-climate perforated option you see here. The high-quality genuine cowhide leather is still highly abrasion resistant like it's non-perf brother and is backed with CE level 2 protection in the elbows and shoulders and a high-impact back protector. There's a quilted removable liner, mobile phone pocket and all wrapped in classic roll-stitched pattern that drips in style.

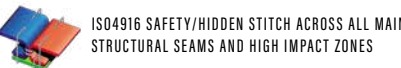

### STYLE & FEATURES

- Neoprene at collar & cuff for extra comfort
- Removable quilted vest liner with mobile phone pocket
- 100% polyester mesh lining with mobile phone pocket
- Argon 100% waterproof "Dry Pouch" pocket
- YKK connection zipper for attachment

### ELEMENT OF PROTECTION

- Back protector included
- Optional CE level 2 back protector available
- CE level 2 shoulder & elbow protectors

RRP ~~\$439.95~~

# RECOIL JACKET

## NON-PERFORATED

Versatility and style are often a juxtaposition when it comes to garment design, but we've managed to crack the code with the Recoil with its mix of classic styling and new-age safety features. The high-quality genuine cowhide leather is highly abrasion resistant and is backed with CE level 2 protection in the elbows and shoulders and a high-impact back protector. There's a quilted removable liner, mobile phone pocket, zip vents to regulate body temp and all wrapped in classic a roll-stitched pattern that drips in style.

### STYLE & FEATURES

- Neoprene at collar & cuff for extra comfort
- Removable quilted vest liner with mobile phone pocket
- 100% polyester mesh lining with mobile phone pocket
- Argon 100% waterproof "Dry Pouch" pocket
- YKK connection zipper for attachment

### ELEMENT OF PROTECTION

# REALM JACKET

Versatility in a jacket can mean the difference between enjoying your ride in shifting conditions with minimal fuss or compromising on choice and selecting something that may be suitable for hot, but not cold or vice versa. On top of that, you want something that you can wear both on the bike, but has the ability to adapt to the surroundings of your destination. The Realm is a two-piece jacket with genuine goat-hide outer shell with back protector, CE Level 2 shoulder and elbow armour and four closable vents. The inner is a soft-shell hooded jacket that not only keeps you warm on the cooler rides, but also provides a sleek off-bike option to wear at your destination.

## OUTERSHELL

- Advance Technology for Better Air Flow System
- 2 Front Air Intake Vents and 2 Back Exhaust Vents
- 100% polyester mesh lining
- Additional vents for cooling

## REMOVABLE HOODED JACKET

- Soft Shell Fabric
- Lining with Mobile Phone Pocket

## ELEMENT OF PROTECTION

- Made from genuine tear resistant goat hide
- Back protector included
- Optional CE level 2 back protector available
- CE level 2 shoulder & elbow protectors

RRP **\$469<sup>95</sup>**

# FORGE JACKET

Just because something has classic styling doesn't mean it needs to be void of modern features. With its high-sheen genuine buffalo hide exterior, off-set with bronze YKK zippers the Forge uses a silhouette that was made famous by the motorcycling icons of the 70's. Keeping you comfortable is a 100-per-cent polyester quilted vest liner, while there's removable CE Level 1 armour in the shoulders and elbows keeping you safe and with waist-adjusters and zipped-sleeves, fine tuning your fit is as easy as tying your shoes.

## STYLE & FEATURES

- 100% polyester mesh lining
- 100% polyester quilted removable vest
- Waist adjustment pullers
- YKK connection zipper for attachment
- YKK zippers

## ELEMENT OF PROTECTION

- Made from genuine tear resistant buffalo hide
- CE level 1 shoulder & elbow protectors

RRP **\$399<sup>95</sup>**

- Optional CE protectors available

STYLE & FEATURES

- 100% Polyester quilted linier
- Waist adjustment pullers
- YKK zippers
- Action back for increased mobility
- Additional vents for cooling

BRAZEN JACKET

Whether you had visions of yourself as the Fonz or just appreciate the classics in life, the Brazen is ultimate throw back when it comes to leather jackets. The large collar and double-breasted closure oozes old-school cool and is the perfect jacket for complimenting your cruiser or café racer. Made from genuine cow-hide, the Brazen uses a polyester liner and Action-Back flex system for mobility and comfort. While there isn't armour included with the jacket, there's internal pockets if you wish to decide to add some later.

CALIBRE PANTS

Let's be honest, if it comes to leather pants, comfort is everything. Wear an ill-fitting pair of leather pants on a hot day and you may as well just stay home. Thankfully, we took this into consideration when designing the Calibre and with its genuine cow hide, elasticated waist, stretch panelling in the crotch and calves you can rely on the pant to fit you the way it was intended to. The full-length mesh liner makes getting in and out a breeze and the CE Level 2 knee protectors give you the added protection you need for impacts in a fall.

STYLE & FEATURES

- Elasticated waistband
- Stretch fabric at crotch for extra comfort
- Large stretch panel on calf area for added comfort
- YKK connection zippers
- Argon Advance Technology for superior fit & function
- Full length mesh liner for added comfort
- Large stretch panel on calf area for added comfort

ELEMENT OF PROTECTION

- Made from genuine tear resistant cow hide
- Provision for additional hip protectors
- CE level 2 knee protectors included

# RENEGADE FLEECE

Let's be honest, when it comes to ultimate comfort, is there anything better than a good hoodie? They're warm, comfortable and in the right (most) environment, they're almost enough to pull off as smart-casual (almost). But the beloved hoodie has previously been limited when it comes to road-going safety... that is until the Renegade came along. 100-per-cent lined with Stretch DuPont™ Kevlar® and CE Level 2 protectors on the shoulders and elbows, the Renegade not only is as comfortable as it is good looking but will offer significant protection in an accident.

### STYLE & FEATURES

- Casual styling
- Outer & Inner pockets
- YKK zippers on front

### ELEMENT OF PROTECTION

- Heavy duty stitching for superior protection
- 100% Lined with Stretch DuPont™ Kevlar® fibre based fabric
- CE level 2 shoulder & elbow protectors included
- With option for back protector

RRP **\$199.95**

# AIRHAWK SHIRT

The Airhawk gives you exactly that, a highly breathable lightweight jacket that's designed to keep you cool in warmer conditions. High-tensity Polyester mesh panels allow for significant airflow, while the DuPont™ Kevlar® fibre-based mesh liner allows high-breathability, but superior protection. The casual styling works across a number of different scenarios and the included CE shoulder and Elbow guards keep you further protected in case of a lay down.

### STYLE & FEATURES

- Casual styling
- Action back for increased mobility
- Outer & Inner pockets
- YKK zippers on front and sleeve cuffs

### ELEMENT OF PROTECTION

# SAVAGE FLANNO

## BLACK RED

Much like its Flannelette brother, the Hatchet; the Savage brings together the classic Aussie fashion of the Flanno shirt with a list of safety features that rivals certain Swedish-made cars. This wolf in sheep's clothing is lined with Stretch DuPont™ Kevlar® bre-based fabric in all major impact zones and comes with removable CE shoulder and elbow protectors. YKK zippers keep things contained on the front and sleeves and there's heavy duty stitching all round for superior protection in the case of a lay-down. A true every-day shirt that you can wear on the bike or to your local watering hole.

### STYLE & FEATURES

- Casual styling
- Action back for increased mobility
- YKK zippers on front and sleeve cuffs
- Internal pocket

### ELEMENT OF PROTECTION

- Heavy duty stitching for superior protection

## BROWN

We hear you. You want the protection a boot offers, but don't want to feel like your footwear is unsuitable for casual occasions. While we'd argue that there is no incorrect occasion for motorcycle boots, we understand your plight and think that the Division with its Latex and EVA foam reinforcement around the ankle and shin in a "sneaker" style high-top shoe fits the bill (or foot) just right.

### ELEMENT OF PROTECTION

- Upper: Natural pull-up leather & Wax Cotton
- Protection: EVA with hotmelted PU. Latex+EVA foam reinforcement for ankle & shin protection
- Lining: Comfortable 100% Polyester lining
- Insole: Polypropylene bonded with PU felt
- Insock: PU
- Sole: Two color rubber based cup sole

RRP **\$179.95**
