M01

Front - Mid Hard Terrain

The Viper M01 developed in Australia to cater for Australian intermediate to hard terrain conditions.

Extreme performance over a wider range of terrain, providing excellent braking stability on harder surfaces.

Lug design and shape provide excellent steering / braking control in intermediate to hard terrain, with excellent durability.

PART #	Product Description	RRP
8001342	80/100x21 (4) M01	\$64.50

Viper

M03

Front - Mid Soft Terrain

The Viper M03 developed in Australia to cater for Australian soft to intermediate terrain conditions.

This tyre provides consistent grip through soft to intermediate terrain.

Lug design and shape provide excellent steering control in soft loamy soil & mud, with excellent mud clearing capability with its unique tread pattern.

PART #	Product Description	RRP
8001331	60/100x14 (4) M03	\$32.50
8001334	70/100x17 (4) M03	\$43.50
8001338	70/100x19 (4) M03	\$51.00
8001789	90/90x21 (4) M03	\$64.50

Viper

M02

Rear - Mid Hard Terrain

The Viper M02 developed in Australia to cater for Australian intermediate to hard terrain conditions.

Extreme performance over a wider range of terrain, providing excellent durability with symmetrical lug pattern which allows the tyre to be reversed on the rim when the leading edge wears.

Redesigned carcass construction and compound widens the performance parameters and reduces lug tearing.

PART #	Product Description	RRP
8001335	100/100x18 (4) M02	\$72.00
8001336	110/100x18 (4) M02	\$75.00
8001337	120/100x18 (4) M02	\$85.50
8001339	100/90x19 (4) M02	\$75.00
8001340	110/90x19 (4) M02	\$82.00
8001341	120/80x19 (4) M02	\$85.50

Viper

M04

Rear - Mid Soft Terrain

The Viper M04 developed in Australia to cater for Australian soft to intermediate terrain conditions.

This tyre provides consistent grip through soft to intermediate terrain.

Lug design and shape provide maximum grip level in soft loamy soil & mud, with excellent mud clearing capability with its unique tread pattern. Redesigned carcass construction widens the performance parameters and rider feedback.

PART #	Product Description	RRP
8001330	80/100x12 (4) M04	\$41.00
8001332	90/100x14 (4) M04	\$51.00
8001333	90/100x16 (4) M04	\$54.50
8001786	120/100x18 (4) M04	\$85.50
8001787	110/90x19 (4) M04	\$82.50
8001788	120/80x19 (4) M04	\$85.50

Viper

Break the Budget!*

M06

Front/Rear - Mid Soft Terrain

The Viper M06 developed in Australia to cater for Australian soft to intermediate terrain conditions.

M06 unique tread design offers Front/Rear fitment.

Great performance tyre for the budding MX champion of the future.

Durable compound and design to cover a wide range of terrain.

PART #	Product Description	RRP
8001329	70/100x10 (4) M06	\$32.50

F895/F897

Front/Rear - Heavy Duty 6 ply Farm/Ag

The Viper F895 / F897 developed in Australia to cater for Australian harsh Agricultural conditions.

Tough 6 ply construction will withstand most of what the harsh Australian outback can throw at it. Super strong Heavy Duty 6 ply construction aids in puncture resistance and over loading especially when run in conjunction with an Ultra Heavy Duty tube.

Strong carcass design and durable compound makes this range the right choice for the farming community.

PART #	Product Description	RRP
8001785	80/100x21 (6) F895	\$51.00
8001912	275x17 (6) F897	\$39.50
8001529	100/100x17 (6) F897	\$61.50
8001530	110/100x17 (6) F897	\$71.50
8001784	100/100x18 (6) F897	\$64.50

F879

Front/Rear - Classic Trail (CT110 Postie Bike)
